I am writing to you on behalf of K-LOVE who broadcasts in my area at 100.1 FM.

K-LOVE is my primary radio station and the only station that I listen to music on. K-LOVE provides my community, as well as many other communities across America, with family friendly programming that supports wholesome values having a positive and encouraging impact on the communities where K-LOVE is heard.

I fear that if LPFM stations were given priority over current FM translator services that my community would lose the positive and encouraging impact that K-LOVE plays on our lives. There are two LPFM stations located near my home. It would be a great tragedy and injustice if one of these LPFM stations blocked out K-LOVE from my community.

Thank you for considering this letter. It is my sincere hope that you will decide not to grant priority to LPFM broadcasters.
